By signing this agreement, the Player AND his parents (if player is a minor) has read and understands the following:

- 1) Upon receiving the Jerseys, it is recommended to identify and then document on this agreement form, any and all tears, cuts or damaged areas. The coach/team manager should initial the form to acknowledge the damage as well.
- 2) At no time are the Jerseys to be permanently modified or tailored. This includes cutting the Jerseys or adding permanent, press-on lettering.
- 3) The Jerseys are to be properly and carefully cared for during the season. It is recommended to wash in gentle cycle and hang dry. Transporting the Jerseys in a special garment bag or even a clean pillowcase will avoid damage made by skates and Velcro.
- 4) Before returning the Jerseys, they are to be washed, with the name bars (and any other non-permanent, non-marking lettering) carefully removed.
- 5) The Jerseys are to be returned, on a metal coat hanger ONLY, at the end of the season in the same (or better) condition as when they were issued. Your coach/team manager will arrange a date/time.

- 6) The Jerseys will be inspected by the coaches and then by the equipment managers for signs of any damage (tears, cuts, use of hot glue). If this occurs, the Jersey(s) will NOT be considered "in good condition", and if it/they are NOT returned or in good condition, the Player will be required to pay the replacement fee(s) to the Association.
- 7) If the Player does not return the Jersey(s) or does not pay the replacement fee(s), the Player will be considered as ``**NOT IN GOOD STANDING**`` which will affect his/her ability to register for the following season with the CMHA.
